Commercial Quality Home Pool Tables

- Quality cushions ensure better bounce, livelier play and longer ball travel that is preferred in championship play.
- Cue ball is the same size and weight as the object ball; players can work the ball better with more English.
- Special leg levelers eliminate the need to lift the table to level it.
- Hardwood rails are screwed into the table for stronger construction and easy replacement.

Optional Accessory Package

Part Number **02020ACCP** includes
4 cue sticks, Ball Set, Triangle and Chalk.

Adjustable Leg Levelers

Professional quality leg levelers simplify leveling and prevents having to lift the table to level it.

SPECIFICATIONS

Accessories, such as balls, cues, triangle and chalk are not included with the Top Brass™ or Regent™ tables, but are included with the Bumper Pool.
